An Open House Meeting will be held from 6:30 pm to 7:00 pm. The Open House will consist of multiple information displays to allow the public to learn more about the Navy's Environmental Restoration Program at NWIRP Bethpage and discuss questions and concerns with representatives from the Navy, regulatory agencies, and community members serving on the RAB.

The forty-second meeting of the RAB for NWIRP Bethpage will be held immediately after the Open House, from 7:00 to 8:30 pm. The RAB is a forum for the Navy and regulatory agencies to exchange information with official RAB community members on environmental programs underway at NWIRP Bethpage. Agenda topics will provide an update on activities at NWIRP Bethpage. All RAB meetings are open to the public and everyone is encouraged to attend, but please note that there will only be a limited amount of time for questions from the public following the RAB presentations. Members of the public are encouraged to attend the Open House prior to the RAB meeting to ensure their individual questions are addressed.
