WATER MAIN IMPROVEMENT PROJECT Millpage Drive, Hoover Lane, Wilson Lane

Dear Resident:

The Bethpage Water District's commitment to ensure the highest quality drinking water and service to the residents and businesses of the Bethpage community has always been our number 1 priority. This commitment has led us to design and bid out a water main replacement in your area. This project is part of our ongoing upgrades to not only move our supply wells outside the Northrop Grumman/ Navy plume but to replace aging infrastructure.

This project will be commencing on August 10, 2020 and will be completed by December 10, 2020.

For more information please call 516-931-0093 or visit us at www.bethpagewater.com

Sincerely,

Michael J. Boufis

Michael J. Boufis
